

World Championships

Dublin 2025

We are so proud of how our dancers performed in Dublin at this year's World Championships. Each of our dancers performed beautifully and professionally against the best of the best in his or her age group. In many of the age groups there were anywhere from 150-180 competitors. The stages were fantastic, and the music couldn't have been better; it was exciting to see dancers from literally all over the world come together in competition.

The dancers' hard work leading up to the event was impressive and inspiring—please join me in extending a huge congratulations to these dancers and their parents, especially to our 4 dancers attending for the first time! Below please find this year's competition summary.

Top 20 World Medals

12th Fiona Marino, Ladies 18-19 (2nd World Medal)
